13 May 1976

DIRECTOR OF CENTRAL INTELLIGENCE DIRECTIVE NO. 1/14¹

MINIMUM PERSONNEL SECURITY STANDARDS AND PROCEDURES GOVERNING ELIGIBILITY FOR ACCESS TO SENSITIVE COMPARTMENTED INFORMATION

(Effective 13 May 1976)

Executive Order 12036, Executive Order 12065

Pursuant to the provisions of ~~Executive Order 11905~~, Section 102 of the National Security Act of 1947 and National Security Council Directives, the following minimum personnel security standards, procedures and continuing security programs are hereby established for all United States Government civilian and military personnel, consultants, contractors, employees of contractors and other individuals who require access to Sensitive Compartmented Information² (hereinafter referred to as SCI). The standards, procedures and programs established herein are minimum and the departments and agencies may establish such additional security steps as may be deemed necessary and appropriate to ensure that effective security is maintained.

Purpose

1. The purpose of this Directive is to enhance the security protection of SCI through the application of minimum security standards, procedures and continuing security programs, and to facilitate the security certification process among Government departments and agencies.

Applicability

2. The provisions of the Directive shall apply to all persons (other than elected officials of the United States Government, federal judges and those individuals for whom the DCI makes a specific exception) without regard to civilian or military status, form of employment, official rank or position or length of service.

3. Individuals who do not meet the minimum security criteria contained herein and who are, therefore, denied access to SCI shall not, solely, for this reason, be considered ineligible for access to other classified information. Individuals whose access to SCI has been authorized as an exception granted in accordance with paragraph 7 below, shall not, solely for that reason, be considered eligible for access to other classified information.

¹ This directive supersedes DCID 1/14 approved 1 July 1968.

² The term "Sensitive Compartmented Information" as used in this Directive is intended to include all information and materials bearing special community controls indicating restricted handling within present and future community intelligence collection programs and their end products for which community systems of compartmentation have been or will be formally established. The term does not include Restricted Data as defined in Section II, Public Laws 585, Atomic Energy Act of 1954, as amended.
